Chair / Lounge Chair

OKAMURA

The form of feeling good at work.

Today's office chairs demand more than functionality. Relaxed, residential-feel spaces create work environments where workers express themselves and thrive.

LW Chairs bring a casual look to the office and are equipped with the state of the art features that employees have come to expect.

LW Chair

Cozy yet hardworking

Designed to fit in a café or in your living room, Work chair is equipped with essentials to keep a comfortable posture.

Feeling good matters

Aesthetics and functionality work together.

Ergonomically Proven Comfort

With Okamura's original ankle-tilt reclining mechanism, the chair reclines back up to 15° and allows an upright work posture and a relaxed posture, accessible without any stress on the body.

Uninterrupted Control

All controls are placed under the right-hand side for intuitive and quick operation.

Color play

Two-toned fabric adds whimsical charm in the office space.

Today's employees are untethered from their office desks. They are mobile and move from one place to another throughout the day. In open plan office spaces, The lounge chair makes a great touch-down spot while creating a personal oasis.

LW Lounge Chair

Laid-back capsule

The lounge chair is not only for relaxing. It's designed to keep the lower body relaxed while maintaining the spine and neck upright for an ideal posture for work.

Organic form

The back is engineered to embrace the user's body and support the ideal posture when working on a laptop.

Work veil creates greater focus

The veil creates a sense of being in a quiet space as the veil helps to block out visual and acoustic distractions.

Tablet

A surface large enough for a laptop that rotates 90°
